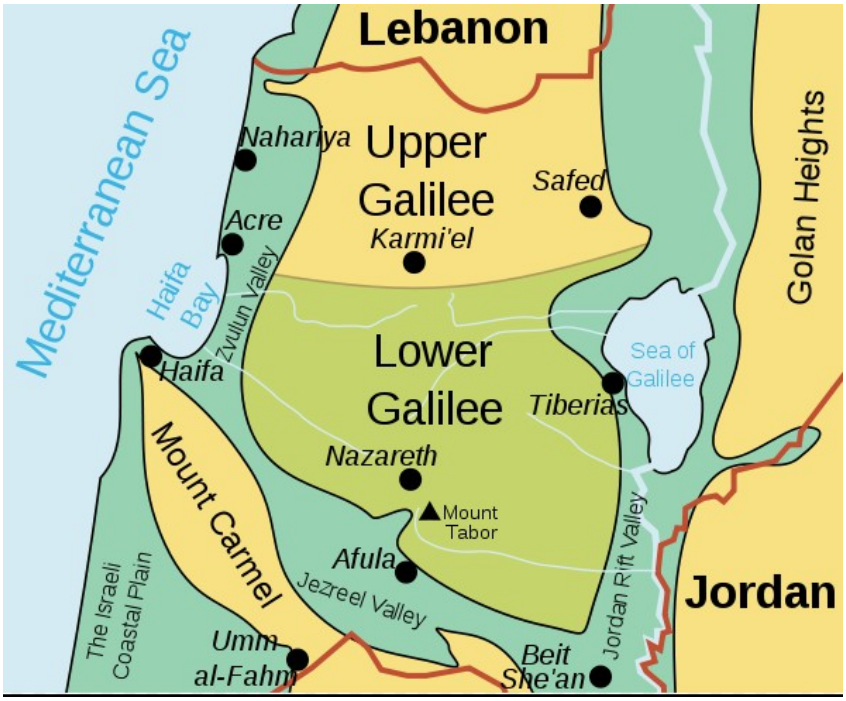
PHYSICAL DESCRIPTIONS OF JESUS (YASHUA)

WHO WAS A

SCANDINAVIAN NAZARENE

Chapter 2



What we have been taught by our Church's about Jesus and the ORIGINAL CHRISTIAN MOVEMENT IS A PIOUS FRAUD. It is our job to DO OUR HOMEWORK AND PICK THE TRUTH OUT OF IT'S CRUMBLING RUBBLE today. I realized this while in Bible College as we were studying the Bible. If we think our governments are corrupt, wait until you do a DEEP DIVE into the truth regarding the Jewish and Roman Orthodox Catholic and Christian Church. IT WILL SHOCK YOU. Few people have

done much digging into this subject until the last 20 years. NO ONE DARED TOUCH THIS SACRED COW UNTIL RECENTLY and as they did the horrible truths began to filter out from under their rugs and in their closets. Before then Christian's believed everything they were told because the JROCCC SAID SO.

WHO WAS JESUS WHAT DID HE LOOK LIKE

The physical descriptions of Jesus (Yashua) changes depending on the intent of those who chose to describe him.

His followers and his genetics, describe him as a Scandinavian. HE WAS A MAN who did not practice the Jewish religion but was in fact a Nazarene by faith. These religions HAD NOTHING IN COMMON. The Bible also states that he was a Nazarene. Blow is one of the Bible verses that confirms his religion:

For very devious reasons the formers of the Jewish and Roman Orthodox Catholic and Christian religion would have you believe that he was born in Bethlehem in Judah, however history and record keeping methods today tell a different story.

These documents, tell us that his LEGEND was born in a Nazarene village in Northern Israel west of the Sea of Galilee, east of the Mediterranean Sea and just below Mt. Carmel. (See map above regarding Jesus (Yashua’s) home and teaching sites in Northern Israel).

On the maps you will not find a location of the town of Nazareth because it did not exist as a town back during the life and times of Jesus (Yashua). At that point in human history, Nazareth was considered to be a village.

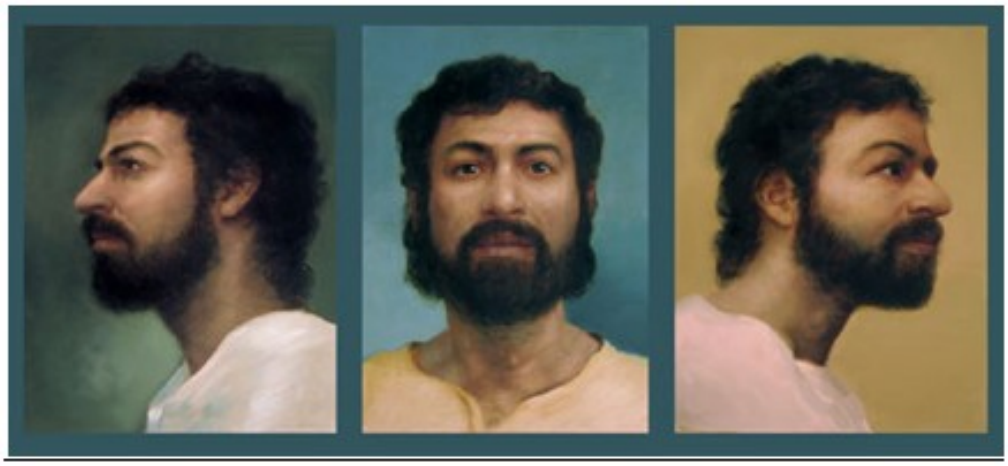
Keep in mind that a Jew was someone who practiced the Jewish religion. A Jew is not one specific race of people.

Many different people groups worshipped the Jewish religion and they include the black races. Most of these people migrated in southern Judah after the 10 Lost Scandinavian Northern Tribes were taken into captivity in Media and before Jesus came to town around 700 years later. Judah was the southern region of Israel where Jerusalem, Bethlehem and Qumran are located.

<u>THE SERPENT BLOODLINE HOLY GRAIL AUTHORS WOULD HAVE YOU BELIEVE JESUS (YASHUA) WAS A DESCENT OF THE EDOMITES OR CAIN WHO'S DESCENDENTS INCLUDE THE MYSTERIOUS TRIBE OF DAN WHO BRED WITH AND ASSOCIATED WITH THE SEMITES, EDOMITES, CANAANITES, TURKES (SECT) SERPENT SCORPIONS AND SNAKES (SSS) AND WERE THEMSELVES PART OF THE EDOMITE TRIBES.</u>

<u>WE ARE NOT SUPPOSED TO REALIZE THAT JESUS WAS A SCANDINAVIAN WHOSE LEGEND STARTED IN NORTHERN ISRAEL.WHERE HE SET UP HIS MINISTRY. BUYERS BEWARE!</u>



THE SERPENT BLOODLINES who attempt to claim that Jesus and Mary Magdalene married and sired descendents, often DESCRIBE JESUS (YASHUA) WITH FEATURES SIMILAR TO CAIN in order to change his identity. Before Cain's race bred with the dark hair dark eyed Turkish, Semite, Edomite races they were described as having red hair, green eyes and a crooked nose. Science now states that the Red hair gene was not a human gene it was a Neanderthal gene. These deceptive authors also describe Jesus as a SECT with dark hair dark-eyes are trying to DECEIVE US by mapping the DNA of those

hybrid tribes that live in Nazareth TODAY. It was the Turkish, Semite, Levi bloodline that bred with the Scandinavian populations who remained in Northern Israel after their 10 Northern Tribes had been taken into captivity in Media aka Babylon. Those living in Northern Israel today are not the original Nazarene, Habiru, Hebrew, Apiru, Naphtali tribes. These Turkish Semites also bred with Scandinavian people and in Southern Russia. Their SECT descendents became a blended race known as the Khazars or Khazarians. 80% of people who claim to be Jews today are not Jews they are KHAZARIANS.

This Khazar Zionist Empire of AshkeNAZI Jews lived in what was once known the Medo Persia empire. Their historic and prehistoric bloodline originally came from ancient Babylon. In public they worshipped the REPTILIAN Anunnaki god Anu who the Jews also called Yahweh Ildabaoth the Demiurge. Every culture had a different name for these alien gods. In secret, the Pharisees worshipped the Nordic Aryan Alien “Fallen Watchers.

These were false gods (biological entities) who “Flit and Flew” in “Chariots of Fire,” “Whirling Wheels” "Clouds" an “Thrones” with glass type cockpits where the gods sat who flew them. These flying vehicles shrouded themselves with cloud cover and were described as hiding behind them. These were also the GODS WORSHIPPED BY some of the NORTHERN HEBREW ISRAELITES whose leaders were the AshkeNAZIM Pharisees, Sadducees, and Scribes. They were related to the Levites, Atlantians, Phoenicians, “Sea People.” They were also related and associated with the early Solutrean Indian Amorites, Canaanites, Philistines, Hittites, as well as the Celts, Anglo Saxons and the Aryans. These tribes WORSHIPPED THE NORDIC ARYAN ALIEN “FALLEN ELOHIM WATCHER” ENTITIES IN SECRET who were known as the ELOHIM GODS such as El Shaddai, etc.

The quest for the Jewish gene

▶ The new study

Findings

There is a dominant Caucasian element in the genetic makeup of European Jews

Historical hypothesis

The ancestors of European Jews were the inhabitants of the Khazar Empire, who converted to Judaism in the 8th century C.E.

Conclusion

Jews of various groups do not share the same genetic makeup – there is no "Jewish nation"

When you see pictures of a man the Jews call Jesus with dark hair and dark eyes he was **NOT JESUS YAHSUA**. He is a photo image of the Jewish Talmud Immanuel, Jmmanuel, Emmanuel instead.

This is how the followers of Jesus described the **REAL JESUS**.

The Serpent Bloodline Authors falsely identified Jesus (Yashua) with a crooked nose, dark hair and eyes features

AS A WAY OF PROVING THAT HE WAS A HYBRID WHO'S DESCENDENTS TODAY BECAME THE MEROVINGIAN LINEAGE OF TH GLOBAL ELITE POWER BROKERS WHO INCLUDE the ILLUSIVE LOST TRIBE OF DAN that has been left out of Bible Prophecy for a good reason. Today these evil ALIEN HUMAN HYBRID KHAZARIAN bloodlines who came into Europe and America are the 13 MOST POWERFULL FAMLIES IN OUR WORLD.

THESE NASTY CHRUCH FATHERS and RELIGIOUS DECEIVERS also BLEND THE DESCRIPTION OF JESUS (YASHUA) in with THE JEWISH TALMUD EMMANUEL, IMMANUEL, EMMANUEL who went on to become ISA of India and with MITHRA, APPOLONIUS and others,, WHICH WAS A VERY DESCEPTIVE TRICK MEANT TO FALSELY ASSOCIATE JESUS (YASHUA) WITH THE SERPENT BLOODLINES AND THEIR AGENDAS. You will find this information if you simply DO YOUR HOMEWORK.

Here is more information of how we have been deceived about who Jesus really was as other figures were superimposed into the Jesus story.

The study of Jesus in comparative mythology is the examination of the narratives of the life of Jesus in the Christian gospels, traditions and theology, as they relate to Christianityand other religions. Although the vast majority of New Testament scholars and historians of the ancient Near Eastagree that Jesus existed as a historical figure,[1][2][3][4][nb 1][nb 2][nb 3] most secular historians also agree that the gospels contain large quantities of ahistorical legendary details mixed in with historical information about Jesus's life.[10] The Synoptic Gospels of Mark, Matthew, and Luke are heavily shaped by Jewish tradition, with the Gospel of Matthew deliberately portraying Jesus as a "new Moses".[11]Although it is highly unlikely that the authors of the Synoptic Gospels directly based any of their accounts on pagan mythology,[12] it is possible that they may have subtly shaped their accounts

of Jesus's healing miracles to resemble familiar Greek stories about miracles associated with Asclepius, the god of healing and medicine.[13][14] The birth narratives of Matthew and Luke are usually seen by secular historians as legends designed to fulfill Jewish expectations about the Messiah.[15]
The Gospel of John bears indirect influences from Platonism, via earlier Jewish deuterocanonical texts, and may also have been influenced in less obvious ways by the cult of Dionysus, the Greek god of wine, though this possibility is still disputed.[16] Later Christian traditions about Jesus were probably influenced by Greco-Roman religion and mythology. Much of Jesus's traditional iconography is apparently derived from Mediterranean deities such as Hermes, Asclepius, Serapis, and Zeus and his traditional birthdate on 25 December, which was not declared as such until the fifth century, was at one point named a holiday in honor of the Roman sun god Sol Invictus. At around the same time Christianity was expanding in the second and third centuries, the Mithraic Cult was also flourishing. Though the relationship between the two religions is still under dispute, Christian apologists at the time noted similarities between them, which some scholars have taken as evidence of borrowing, but which are more likely a result of shared cultural environment. More general comparisons have also been made between the accounts about Jesus's birth and resurrection and stories of other divine or heroic figures from across the Mediterranean world, including supposed "dying-and-rising gods" such as Tammuz, Adonis, Attis, and Osiris, although the concept of "dying-and-rising gods" itself has received scholarly criticism

THESE FALSE DESCRIPTIONS CLEVERLY LEAD READERS INTO THE BELIEF THAT THE MEROVINIGAN BLOODLINE of the Jewish Talmud Immanuel, Jmmanuel, Emmanuel IS THE BLOODLINE OF JESUS (YASHUA).

Below you will find articles that include two physical descriptions of Jesus (Yashua), written by his contemporaries of Jesus who encountered him. The articles can be found on The Nazarene Way of Essenic Studies website. He was clearly a blue-eyed blonde Scandinavian. Often descriptions change depending on the intent of the writer or viewer and possibly because they were describing the Jewish Talmud Immanuel, Emmanuel, Jmmanuel instead. I did not feature these articles.

THE LETTER FROM PONTIUS PILATE TO TIBERIUS CAESAR

This is a reprinting of a letter from Pontius Pilate to Tiberius Caesar describing the physical appearance of Jesus. Copies are in the Congressional Library in Washington, D.C.

TO TIBERIUS CAESAR:

"A young man appeared in Galilee preaching with humble unction, a new law in the Name of the God that had sent Him. At first I was apprehensive that His design was to stir up the people against the Romans, but my fears were soon dispelled. Jesus of Nazareth spoke rather as a friend of the Romans than of the Jews. One day I observed in the midst of a group of people a young man who was leaning against a tree, calmly addressing the multitude. I was told it was Jesus. This I could easily have suspected so great was the difference between Him and those who were listening to Him. His golden colored hair and beard gave to his appearance a celestial aspect. He appeared to be about 30 years of age. Never have I seen a sweeter or more serene countenance. What a contrast between Him and His bearers with their black beards and tawny complexions! Unwilling to interrupt Him by my presence, I continued my walk but signified to my secretary to join the group and listen. Later, my secretary reported that never had he seen in the works of all the philosophers anything that compared to the teachings of Jesus. He told me that Jesus was neither seditious nor rebellious, so we extended to Him our protection. He was at liberty to act, to speak, to assemble and to address the people. This unlimited freedom provoked the Jews -- not the poor but the rich and powerful.

Later, I wrote to Jesus requesting an interview with Him at the Praetorium. He came. When the Nazarene made His appearance I was having my morning walk and as I faced Him my feet seemed fastened with an iron hand to the marble pavement and I trembled in every limb as a guilty culprit, though he was calm. For some time I stood admiring this extraordinary Man. There was nothing in Him that was repelling, nor in His character, yet I felt awed in His presence. I told Him that there was a magnetic simplicity about Him and His personality that elevated Him far above the philosophers and teachers of His day.

Now, Noble Sovereign, these are the facts concerning Jesus of Nazareth and I have taken the time to write you in detail concerning these matters. I say that such a man who could convert water into wine, change death into life, disease into health; calm the stormy seas, is not guilty of any criminal offense and as others have said, we must agree -- truly this is the Son of God.

Your most obedient servant,

Pontius Pilate

THE EMERALD OF CAESAR DESCRIPTION OF JESUS

This Likeness of Jesus was copied from a portrait carved on an emerald by order of Tiberius Caesar, which emerald the Emperor of the Turks afterwards gave out of the Treasury of Constantinople to Pope Innocent VIII for the redemption of his brother, taken captive by the Christians.

"The Archko Volume"

Another description of Jesus is found in "The Archko Volume" which contains official court documents from the days of Jesus. This information substantiates that He came from racial lines which had blue eyes and golden hair. In a chapter entitled "Gamaliel's Interview" it states concerning Jesus (Yeshua) appearance:

"I asked him to describe this person to me, so that I might know him if I should meet him. He said: 'If you ever meet him [*Yeshua*] you will know him. While he is nothing but a man, there is something about him that distinguishes him from every other man. He is the picture of his mother, only

he has not her smooth, round face. His hair is a little more golden than hers, though it is as much from sunburn as anything else. He is tall, and his shoulders are a little drooped; his visage is thin and of a swarthy complexion, though this is from exposure. His eyes are large and a soft blue, and rather dull and heavy....' This Jew [Nazarite] is convinced that he is the Messiah of the world. ...this was the same person that was born of the virgin in Bethlehem some twenty-six years before...
